

# PGES District Capacity Building Support Series

KDE is pleased to provide **free, targeted, and tailored support** to selected districts through its PGES district support series.

## Why Participate?

Participants will receive:

- Access to **national, state, and regional thought partners** matched to their needs
- Support in using multiple sources of data to identify problems of practice and **concrete, feasible solutions**
- Opportunity to **collaborate in a network** of like-minded district leaders
- Opportunities to **share key concerns and feedback** with KDE leadership

## When are the Sessions?

**January 2016**

Registrants will be **assigned either** January 20 or 21

- **main session**

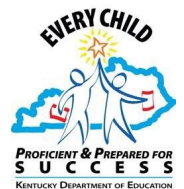

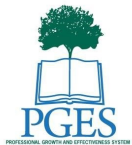

**Summer 2016**

**Follow-up session**

## Who Should Participate?

To ensure fidelity, a two-person team should commit to both the main session and the follow-up session.

One member of the team needs to be the **district superintendent**

## How do we Apply?

Apply by completing a brief questionnaire and self-assessment found [here](#).

**Applications are due November 13 2015**

- Districts will receive notification of **selection by November 20, 2015**
- To ensure the support series is aligned to each participating district's needs, after selection districts will complete a **75 minute intake call** during the week of November 30 - December 4.
- There is **no cost** to districts, and travel will be reimbursed.
